Lehi Round-Up Committee: Serving Tradition, Community, and the Spirit of Lehi

Since its founding, the Lehi Civic Improvement Association—now known as the Lehi Round-Up Committee—has stood as a pillar of service, tradition, and community pride in Lehi, Utah. This volunteer organization was created with a simple but profound mission: to promote activities that enrich the lives of Lehi citizens and strengthen the town’s social, cultural, and economic foundation.

At the heart of their efforts is the beloved Lehi Round-Up celebration, a tradition that includes four nights of professional rodeo and a return to the spirit of the

Old West with the annual Stock Parade. Each year on the last full week in June, the streets of Lehi come alive with community spirit and the proud legacy of the American West.

Behind the scenes, the committee works tirelessly—not just to produce an unforgettable celebration, but to give back. This committee of volunteers has donated thousands of dollars to numerous meaningful local causes, including the American Legion’s Boys and Girls State programs, the Veterans Memorial at Lehi Cemetery, the Francis Comer Library fund, local school music programs, the Lehi Silver Band Wagon, and more. Their commitment also extends to the future of Lehi, as they invest in the next generation of leaders and citizens through scholarships.

This dedicated team of volunteers, the Lehi Round-Up Committee, continues its mission of service. Through their work, they preserve cherished traditions, support community growth, and proudly carry forward the enduring spirit of Lehi.

A HUGE THANK YOU to ALL our Volunteers.
